## **NOTICE**

Please be advised that on August 2, 2023, a quorum of the Board of Directors (“the Board”) of the Three Valleys Municipal Water District (“the District”) may participate at an open and publicized tour of the F.E. Weymouth Treatment Plant that has been organized by the Metropolitan Water District of Southern California to address topics of local community concern related to water supply and treatment. Departure from the District is at 8:30 a.m. and returning at 1:00 p.m. A detailed itinerary of the tour is attached hereto.

Pursuant to Government Code Section 54952.2(c)(3), any such assemblage of the Board will not be a meeting subject to the requirements of the Ralph M.
