Please be advised that on August 3, 2022, a quorum of the Board of Directors (“the Board”) of the Three Valleys Municipal Water District (“the District”) may participate at an open and publicized tour of a botanic garden of California native plants located within the District’s boundaries that has been organized by the California Botanic Garden to address topics of local community concern related to water conservation. The tour will start at 9:30 a.m. at the admissions kiosk near the parking lot of the California Botanic Garden located at 1500 N. College Avenue, Claremont, California. A detailed itinerary of the tour is attached hereto.
