A. APPROVE RETIREE HEALTH BENEFITS POLICY REVISIONS, EFFECTIVE JANUARY 1, 2026

Chief Finance Officer Gomez provided a recap of the January 26, 2026 Special Board of Directors Meeting Workshop regarding refinements to the retiree medical policy originally approved on December 17, 2026, which included a \$1,000 monthly benefit with a 2.5% annual escalator capped at \$1,800. At the Board's direction, staff worked with the District's actuary to evaluate three enhancement scenarios addressing spousal inclusion, a higher escalator, vesting schedule adjustments, and removal of the benefit cap. The Board directed staff to proceed with the lowest-cost enhanced option, noting fiscal prudence, which includes dental and vision coverage for retirees, a Tier 1 vesting schedule allowing full benefits within 15 years of service, a continuing 2.5% annual escalator without a cap, and the ability for unused benefits to be applied toward spousal coverage.

The Board of Directors approved the updated retiree health benefit policy revisions, effective January 1, 2026.

B. APPROVE PROPOSED ORGANIZATIONAL RESTRUCTURING, EFFECTIVE MARCH 1, 2026

The proposed organizational restructuring was discussed at the January 26, 2026, Special Board of Directors Meeting Workshop. The changes support leadership transition, realign responsibilities to address evolving operational and cybersecurity needs, and improve clarity and consistency in reporting structures. The proposal replaces the Chief Administrative Officer position with a Government Affairs Manager and a Water Resources Specialist, reclassifies the Administrative Communications Assistant to Administrative Assistant, and adds a SCADA Electrical Technician position beginning January 2027. The CAO restructuring results in an estimated annual savings of \$72,000, and the addition of the SCADA Electrical Technician, with a salary range of \$97,164 to \$136,030, results in a net fiscal impact of approximately \$100,000 annually.

8. REPORTS

A. SUNSHINE ORDINANCE REVIEW

Legal Counsel Kennedy reviewed the key provisions of SB 707 and its impact on the District's Brown Act compliance and Sunshine Ordinance. He noted that staff had already distributed the full Brown Act to Board members as now required by law and outlined updates related to teleconferencing, including codification of remote participation accommodations for disabilities, consolidation of "just cause" and emergency provisions into a single just-cause exception effective through January 1, 2030, expansion of remote meeting authority during declared emergencies, and continuation of annual limits on remote participation. Board members are permitted up to five remote participations per calendar year under the just-cause provisions of the Brown Act. He also highlighted permanent social media restrictions to prevent serial meetings, expanded oral reporting requirements for executive and department head compensation, clarification of authority to remove disruptive individuals from in-person and virtual meetings, and confirmed that new agenda translation requirements do not apply to the District. This item will be brought back with proposed revisions to the District's Sunshine Ordinance to the February 18, 2026, Board of Directors meeting for consideration of approval.

B. FY 2026-27 BUDGET REVIEW SCHEDULE

Chief Finance Officer Gomez presented the proposed FY 2026–27 budget review schedule, noting that MWD's draft budget is a key driver of the District's timeline. Staff will present the first draft of Three Valleys water sales forecast, budget, and rates at the March 4 Board meeting followed by review with Member Agency Managers on March 11. A second draft will be presented at the April 1 Board meeting and to Member Agency Managers on April 8. MWD is scheduled to adopt its budget on April 14, with the District's budget approval planned for April 15, subject to any adjustments needed based on MWD's final action.

C. WELL NO. 2 VARIABLE FREQUENCY DRIVE REPLACEMENT PROJECT

Water Resources Analyst Pen presented the Well No. 2 Variable Frequency Drive (VFD) Replacement Project, which will replace the existing 12-year-old, end-of-life VFD with a modern unit that improves energy efficiency and reliability. The current VFD is no longer supported by the manufacturer, and failure would render Well No. 2 inoperable; therefore, staff is proactively pursuing replacement. The project was advertised in December 2025, and two responsive bids were received on January 20, 2026, with LEED Electric, Inc. identified as the apparent low bidder at \$327,903, below the engineer's estimate of

\$366,000 and within the \$350,000 budget. This item will be brought back to the February 18, 2026 Board of Directors meeting for recommendation to award contract.

9. DIRECTORS' / GENERAL MANAGER'S ORAL REPORTS

A. METROPOLITAN WATER DISTRICT

Director De Jesus reported that MWD's draft budget assumes approval of the Pure Water Southern California project, including approximately \$150 million over the next several years. The draft reflects a base budget increase of approximately 7.5%, rising to about 9.5% with additional components such as staffing increases and capital improvement funding for asset replacement. Further updates will be provided as the budget process advances toward anticipated approval in April.

B. CHINO BASIN WATERMASTER

Director Kuhn reported that the judge made a final decision on the attorney fees that were contested by the City of Onatrio.

C. SAN GABRIEL BASIN WATER QUALITY AUTHORITY

Director Kuhn stated there was nothing new to report.

8. ACTION AGENDA

A. ADOPT SUNSHINE ORDINANCE NO. 26-02-29

Legal Counsel Kennedy presented the annual review and proposed updates to the District's Sunshine Ordinance to reflect amendments to the Brown Act enacted through SB 707. He explained that the Sunshine Ordinance demonstrates the Board's commitment to transparency and compliance beyond the minimum legal requirements. The proposed revisions primarily address remote participation rules, including establishing disability as a standalone basis for teleconferencing, consolidating "just cause" and emergency circumstances into a single just cause category with seven qualifying grounds, clarifying the five-meeting annual limit for just cause remote participation, expanding provisions to include locally declared emergencies, and updating statutory citations. No changes were recommended to the closed session safe harbor language. Legal Counsel Kennedy recommended adoption of the updated ordinance to ensure compliance with current law.

The Local Agency Formation Commission (LAFCO) has initiated the election process for the Special District Voting Member and Alternate Member positions. Following the close of nominations, LAFCO will distribute candidate materials to each district, and the Board will consider casting its ballot at a future meeting prior to the May voting deadline.

B. WATER SUPPLY UPDATE

Chief Water Resources Officer Lee reported that the State Water Project allocation increased from 10% to 30% following the February snow survey. At the 30% allocation level, MWD's supply and demand are nearly balanced, and with approximately 3.8 million acre-

feet in storage, regional water supplies remain in a strong position, with potential for further allocation increases in the coming months.

**BOARD ACTION****BOARD OF DIRECTORS
STAFF REPORT**

To: TVMWD Board of Directors

From: Matthew H. Litchfield, General Manager 

Date: March 18, 2026

Subject: Investment Portfolio Performance and Compliance Summary – February 2026

Staff Recommendation

Staff recommends that the Board receive and file the Investment Portfolio Performance and Compliance Summary for the month ended February 28, 2026.

Discussion

As of February 28, 2026, the District's investment portfolio totaled approximately \$13.88 million (book value) with a market value of \$13.95 million and an overall book yield of 3.59%. The portfolio includes securities managed by Chandler Asset Management, balances held in the Local Agency Investment Fund (LAIF) and the California Asset Management Program (CAMP), and operating cash held in District bank accounts.

The Chandler-managed portion of the portfolio totaled approximately \$4.94 million (book value) with a book yield of 3.96%. The portfolio is diversified across permitted investment types including U.S. Treasuries, federal agencies, corporate securities, and other high-grade instruments consistent with the District's investment policy. The Chandler portfolio generated a 5.77% one-year total return, compared to 5.39% for its benchmark. Yield reflects the income rate generated by the portfolio, while total return includes both income and changes in market value over time. Because the District generally holds securities to maturity, investment income rather than short-term market value changes is the primary driver of portfolio earnings.

The District also maintains liquid balances in pooled investment programs and operating accounts. As of February 28, 2026, the District held approximately \$4.63 million in LAIF, \$2.99 million in CAMP, and \$1.31 million in operating cash and petty cash, providing liquidity for operational and capital needs.

This report is provided in accordance with California Government Code Section 53646, which requires periodic reporting to the governing body on the status of the District's investment portfolio. The District's investment portfolio remains in compliance with California Government Code Sections 53600 et seq. and the District's adopted Investment Policy. Consistent with the statutory priorities of safety, liquidity, and yield, the portfolio is structured to preserve capital, maintain sufficient liquidity to meet operational and capital funding needs, and generate stable investment income. Based on current balances and projected expenditures, the portfolio provides sufficient liquidity to meet the District's anticipated cash flow requirements for the next six months.

IMPORTANT DISCLOSURES

Three Valleys Municipal Water District | Account #10065 | As of February 28, 2026

Chandler Asset Management, Inc. (“Chandler”) is an SEC registered investment adviser. For additional information about our firm, please see our current disclosures (Form ADV). To obtain a copy of our current disclosures, you may contact your client service representative by calling the number on the front of this statement or you may visit our website at www.chandlerasset.com.

Information contained in this monthly statement is confidential and is provided for informational purposes only and should not be construed as specific investment or legal advice. The information contained herein was obtained from sources believed to be reliable as of the date of this statement, but may become outdated or superseded at any time without notice.

Custody: Your qualified custodian bank maintains control of all assets reflected in this statement and we urge you to compare this statement to the one you receive from your qualified custodian. Chandler does not have any authority to withdraw or deposit funds from/to the custodian account.

Valuation: Prices are provided by IDC, an independent pricing source. In the event IDC does not provide a price or if the price provided is not reflective of fair market value, Chandler will obtain pricing from an alternative approved third party pricing source in accordance with our written valuation policy and procedures. Our valuation procedures are also disclosed in Item 5 of our Form ADV Part 2A.

Performance: Performance results are presented gross-of-advisory fees and represent the client’s Total Return. The deduction of advisory fees lowers performance results. These results include the reinvestment of dividends and other earnings. Past performance may not be indicative of future results. Therefore, clients should not assume that future performance of any specific investment or investment strategy will be profitable or equal to past performance levels. All investment strategies have the potential for profit or loss. Economic factors, market conditions or changes in investment strategies, contributions or withdrawals may materially alter the performance and results of your portfolio.

ICE PERMITS USE OF THE ICE INDICES AND RELATED DATA ON AN “AS IS” BASIS; ICE, ITS AFFILIATES AND THEIR RESPECTIVE THIRD PARTY SUPPLIERS DISCLAIM ANY AND ALL WARRANTIES AND REPRESENTATIONS, EXPRESS AND/OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE, INCLUDING THE INDICES, INDEX DATA AND ANY DATA INCLUDED IN, RELATED TO, OR DERIVED THEREFROM. NEITHER ICE DATA, ITS AFFILIATES OR THEIR RESPECTIVE THIRD PARTY PROVIDERS GUARANTEE THE QUALITY, ADEQUACY, ACCURACY, TIMELINESS OR COMPLETENESS OF THE INDICES OR THE INDEX DATA OR ANY COMPONENT THEREOF, AND THE INDICES AND INDEX DATA AND ALL COMPONENTS THEREOF ARE PROVIDED ON AN “AS IS” BASIS AND LICENSEE’S USE IS AT LICENSEE’S OWN RISK. ICE DATA, ITS AFFILIATES AND THEIR RESPECTIVE THIRD PARTY DO NOT SPONSOR, ENDORSE, OR RECOMMEND CHANDLER, OR ANY OF ITS PRODUCTS OR SERVICES.

Index returns assume reinvestment of all distributions. Historical performance results for investment indexes generally do not reflect the deduction of transaction and/or custodial charges or the deduction of an investment management fee, the incurrence of which would have the effect of decreasing historical performance results. It is not possible to invest directly in an index.

Ratings: Ratings information have been provided by Moody’s, S&P and Fitch through data feeds we believe to be reliable as of the date of this statement, however we cannot guarantee its accuracy.

Security level ratings for U.S. Agency issued mortgage-backed securities (“MBS”) reflect the issuer rating because the securities themselves are not rated. The issuing U.S. Agency guarantees the full and timely payment of both principal and interest.

LGIP Yields: Reported yields for local government investment pools may be presented as either the 30-day yield or the monthly distribution yield, as applicable. For certain funds, the 30-day yield is calculated using reported daily yield data. Yield calculations are subject to change and may not be directly comparable across funds.

LAIF Yields: Additional Disclosure for CA Clients - As a result of a reporting lag from the Local Agency Investment Fund (LAIF), reported LAIF yields represent the most recently available Daily Effective Yield and may reflect data from approximately 7–10 days prior to month-end.

Subject: Consider Appointment to the San Gabriel Valley Economic Partnership Board of Directors

Staff Recommendation

Staff recommends that the Board of Directors approve the appointment of Vice President Goytia to fill the vacant Three Valleys seat on the San Gabriel Valley Economic Partnership (SGVEP) Board of Directors.

Background

The SGVEP is a regional, membership-based organization dedicated to advancing economic vitality, job creation, and public policy advocacy throughout the San Gabriel Valley. SGVEP works collaboratively with local governments, special districts, businesses, educational institutions, and nonprofit organizations to promote infrastructure investment, economic development initiatives, and legislative priorities that benefit the region. SGVEP regularly engages in state and federal advocacy, hosts networking and policy forums, and provides a platform for member agencies to communicate regional priorities.

Discussion

Three Valleys maintains Director-level membership in SGVEP at an annual cost of \$7,000. The District's designated seat on the SGVEP Board of Directors is currently vacant and requires formal appointment of a representative.

At the March 4, 2026 Board of Directors meeting, the Board discussed the vacant SGVEP seat and expressed support for appointing Vice President Goytia to serve as the District's representative on the SGVEP Board of Directors. This item is now presented for formal Board action to appoint Vice President Goytia to the vacant SGVEP Board of Directors seat.

Fiscal Impact

The \$7,000 Director-level membership fee for calendar year 2026 has already been remitted and is included in the budget.

Date: March 18, 2026
Subject: Approve Salary Schedule Effective July 1, 2026

Staff Recommendation

Staff recommends approval of the salary schedule to be effective July 1, 2026.

Discussion

Pursuant to CalPERS and California Code of Regulations Section 570.5, salary schedule changes must be approved and adopted by the employer's governing body according to the requirements of applicable public meeting laws.

Provided for review is a draft of the salary schedule to be effective July 1, 2026, which reflects a 3.24% increase to the salary ranges. The increases are on the change 2025 Consumer Price Index (CPI)- Urban Wage Earners and Clerical Workers, as prepared by the Bureau of Labor Statistics. These ranges were included in calculating the budget for FY 2026-27.

As a reminder, these adjustments are made to the salary ranges, not to the individual employee's salary. Salary changes continue to be based on the merits of the employee's annual evaluation.

Based on Board approval, an adjustment to each salary range classification will be considered for July 1 of each year. Range adjustments are tied to changes in the Consumer Price Index - Urban Wage Earners and Clerical Workers for Los Angeles-Long Beach-Anaheim as prepared by the Bureau of Labor Statistics, from current year annual to the prior year annual. The adjustment to each salary range is intended to keep TVMWD's salary ranges at the market level and may not necessarily impact individual salaries. The opportunity for individual salary increases will continue under the merit-based system employed by TVMWD. An important note is that an employee's annual salary may be below the minimum salary range if: (1) their annual evaluation has not yet occurred in the current fiscal year or (2) their performance documented in prior annual evaluations has not merited an increase that has kept up with index adjustments to the salary ranges.

Shift Differential Pay

- Operators and plant assistants who work on Friday, Saturday or Sunday will be compensated with 10% additional pay for those hours.
- Shift differential pay is considered special compensation and will be reported to CalPERS as such.

On-Call Pay

- Standby operators who serve as the on-call standby operator each evening will be paid \$45 per day (\$90 on holidays).
- Lab operators who serve as the on-call plant operator each evening will be paid \$100 per day (\$200 on holidays).
- In addition to receiving the on-call pay noted above, the on-call operators will be paid for the additional time spent responding to situations.
 - If responding by phone/tablet/laptop only, the on-call operator will be guaranteed at least 15 minutes of additional pay. All time over 15 minutes will be rounded up to the nearest 15 minute increment.
 - If responding in person, the on-call operator will be guaranteed at least two hours of additional pay. All time over two hours (portal to portal) will be rounded up to the nearest 15 minute increment.
 - Operators will be eligible for OT and shift differential pay as applicable for time spent responding.
- On-call pay is not considered special compensation and thus will not be included as a part of final compensation in calculating CalPERS pension.

Holiday Pay

- Any employee scheduled who works on either the actual holiday or the observed holiday will be paid at one and one-half times the employee's regular rate of pay. Since the employee is working the holiday, the employee will also be paid an additional ten hours at regular pay for that holiday.

Subject: Adopt Proclamation Recognizing Government Finance Professionals Week

Staff Recommendation

Staff recommends that the Board of Directors:

1. Adopt a proclamation recognizing the last week of March as Government Finance Professionals Week, as supported by the California Society of Municipal Finance Officers (CSMFO).
2. Present the proclamation to the Finance Department staff in appreciation of their service.

Background

The California Society of Municipal Finance Officers (CSMFO) is the statewide professional organization supporting excellence in local government financial management. Each year, CSMFO encourages agencies across California to recognize Government Finance Professionals Week to highlight the essential contributions of local finance staff.

Finance professionals manage complex public resources; ensure compliance with state and federal requirements; produce transparent budgets and financial reports; administer utility rates and enterprise funds; and support long-term financial sustainability. Their work forms the backbone of local government operations and is critical to maintaining community trust.

Discussion

Finance professionals play a critical role in supporting the District's operations and long-term financial stability. At Three Valleys Municipal Water District, the Finance Department manages the District's financial resources, prepares the annual budget, oversees financial reporting and audits, administers water rate and financial policies, and ensures compliance with applicable laws and regulations.

In addition, finance staff support the Board of Directors and member agencies by providing accurate financial information that informs policy decisions, maintaining transparency and accountability in the District's financial practices, and planning for the funding of capital infrastructure necessary to maintain reliable regional water service.

Recognizing Government Finance Professionals Week provides an opportunity to acknowledge the expertise, professionalism, and dedication of finance staff whose work supports responsible stewardship of public resources and the continued financial health of the District.
