Division III, Vacant

NOTICE

Please be advised that on July 15, 2026, a quorum of the Board of Directors ("the Board") of the Three Valleys Municipal Water District ("the District") may attend an open and publicized tour of certain District facilities located within the District's boundaries that has been organized by District staff to view projects that have been completed and/or that are in progress and will involve a discussion of issues of general interest to the public or to public agencies of the type represented by the Board. The tour will commence at 8:30 a.m. at the District offices located at 1021 East Miramar Avenue, Claremont, California. An itinerary of the tour is attached hereto.

This tour is open to members of the public and requires advanced reservations due to security and coordination requirements. To secure your reservation, please confirm your attendance with Nadia Aguirre by 2:00 p.m. on July 14, 2026, at the number listed below. Space is limited, and participants are responsible for their own transportation.

Pursuant to Government Code Section 54952.2(c)(2), any such assemblage of the Board will not be a meeting subject to the requirements of the Ralph M. Brown Act, Government Code Sections 54950–54962 ("Brown Act"), since a majority of the members of the Board will not discuss among themselves, other than as part of the scheduled program, any business of a specific nature that is within the subject matter of the District's jurisdiction.

If you have any questions or comments, please contact Nadia Aguirre, Executive Board Secretary, at (909) 621-5568, during the District's regular business hours.

Dated: July 13, 2026

A handwritten signature in blue ink, appearing to be 'M. Litchfield', written over a horizontal line.
