Once the Board of Directors takes action, Directors should commit to support said action and not create barriers to the implementation of said action.
- 2.5.6. Involvement in Elections: The District does not contribute funds directly or indirectly to candidates for elected public office [Government Code Section 3205(a)]. Furthermore, the District prohibits any political activity of officers or employees of the District during working hours or on the premises of the District [Government Code Section 3207].

The following guidelines shall apply:

In addition, if letter/memo subject matter requires excessive use of staff time prior approval is required.
 - 2) Board Approval Not Required: If the letter/memo expresses or requests

support/opposition to actions in accordance with a Board adopted position; merely makes an inquiry or requests information on a District related matter; may respond to an inquiry or invitation to participate in a District related activity. In addition, approval is not required for thank you letters.

 - b. Directors may list compensated and non-compensated meetings, but will only receive compensation on meetings as listed above in Section 2.7.
 - c. Provide a brief written report justifying how the meeting was reasonably necessary to further the interests of the District. Include descriptive information such as other TVMWD directors in attendance, name of person(s) the meeting was with and agency or organization affiliation.
 - d. Directors are expected to be on time for each meeting and participate for the entire duration of each meeting, unless an emergency or unexpected situation requires the Director to arrive late or leave the meeting early.
 - e. Request compensation for each meeting at \$200.
- The Board will consider approval of compensation at the monthly Board meeting the following month.
- 2.7.5. If a Director is unable to attend a meeting for which they have been appointed to represent the District, they are to notify staff in a timely manner to contact the designated alternate to attend. The WQA, Chino Basin Watermaster and Six Basins' alternate representatives are expected to attend meetings of those agencies

regularly.

- 2.7.6. The TVMWD Director serving as an MWD Director, may receive compensation for each day's attendance at meetings of the MWD Board and committees, in the same amount and upon the same terms as is provided with respect to service on the Board of Directors of the District.¹⁶

- c. Lodging at the single-room rate; and
- d. Reasonable costs of meals (see section 2.8.3 d).

2.8.2. Budget Limits: The maximum amount of District-paid expenses that each Board member may annually incur without separate prior Board approval is \$7,500 each fiscal year (Resolution No. 18-04-823, adopted April 18, 2018).

- a. Registration and Meeting Charges

The District reimbursement rate for registration or other charges for participation at a meeting shall be the actual amount incurred, not to exceed the maximum rate published by the conference or activity sponsor or timely registration after applying all applicable deductions for any available discounts. Registration and meeting charges incurred by the District shall be reflected on a monthly status report issued to each Board member. In the event that a Board member must withdraw from a conference or activity after registration and payment has been made, and a refund or credit may not be obtained from the organizing group or agency, the expense will be charged against the Board members annual budget limit of \$7,500. However, if a credit may be obtained and applied by the District for a future conference or activity of the same type or by the same organization, the expense account of the Board member will not be debited until such time that the credit is applied or expires, if applicable.

Directors are encouraged to work with assigned staff to coordinate registration at

all meetings to ensure consistency, as well as to ensure that all applicable discounts are applied. It is important to register within the prescribed deadlines as a courtesy to those outside entities planning the events. Requests to attend an event after a prescribed deadline passes will be the sole responsibility of the director, including any related costs, which may be submitted for reimbursement with proper documentation on the monthly expense report. Directors may not direct outside entities to bill the District for events they have attended without working through the District first.

Directors are encouraged to utilize payment administered by the Executive Assistant when registering for conferences and events. If a Director pre-registers and pays for the conference or event on their own, reimbursement for that expense will not be considered until the reimbursement form is submitted the month following the conference or event.

If such rates are not available, the reimbursement rate for Board member transportation shall be the actual amount incurred, not to exceed the cost of round-trip coach air fare.
- 2) Reasonable private vehicle expenses are reimbursable up to the cost of coach airfare and the attendant cost of ground transportation. Vehicle versus airfare costs are expected to be documented to verify reimbursement is the most economical. A Board member may not appropriate a District vehicle solely for his or her own individual use as a means of transportation to conferences or seminars. Mileage reimbursement shall be given when personal vehicles are used for District business. The District reimbursement rate for mileage by use of a Board member's own vehicle shall be calculated on the basis of total miles driven for District purposes at the rate specified in the Internal Revenue Code in effect at the time of the vehicle usage. Mileage will only be reimbursed for meetings approved for compensation as outlined in Section 2.7.
- 3) The District reimbursement rate for vehicle parking by a Board member shall be the actual amount incurred.
- 4) If an alternative private aircraft is used in lieu of commercial air travel, written documentation of actual cost incurred by the director must be provided along with comparison of the lowest commercial air charges. If additional supplemental ground transportation such as taxi or shuttle would normally be required to reach the destination, these charges may be included at the lowest rate for comparison purposes. All efforts should be exercised to obtain comparison rates at least 21 days prior to scheduled travel date to obtain the lowest rates. The latest comparison date permitted will coincide with the latest published RSVP date for any scheduled event and/or conference. Note: if there is no direct cost to the Director for the alternate private aircraft, the expense is not subject to reimbursement, and, may be subject to gift limitations and filing

on the annual Form 700-Statement of Economic Interest form.

c. Lodging

Members of the Board must use government and group rates offered by a provider of lodging services when available. If the lodging is in connection with an accepted conference or organized educational activity, lodging costs must not exceed the maximum group rate published by the conference or activity sponsor, provided that lodging at the group rate is available to the member of the Board at the time of booking. If a government or group rate is not available, the District reimbursement rate for Board member lodging shall be the actual amount incurred, not to exceed the rate for comparable lodging. No reimbursement requests will be approved for lodging expenses incurred within the District's service area. However, lodging costs will be paid by the District under the following circumstances:

- 1) The Board member is attending a conference or other qualifying function held more than 50 miles from their home; OR
 - a. Lodging for the night before will be reimbursed if the Board member would have needed to leave their home before 6am;
 - b. Lodging for the night of will be reimbursed if the Board member would have arrived home that night after 7pm.

Lodging requests not covered by this section will not be reimbursed, except upon authorization of the Board given at a public meeting. Actual and reasonable lodging expenses will be reimbursed only for authorized personnel and as such will not be reimbursed for guests or family members of the authorized personnel. Where reasonably possible, lodging will be obtained in proximity to the conference or function site. In most cases, lodging should be arranged and paid for through the District. With adequate notice, staff is able to arrange for prepayment of authorized charges via the District credit card. Staff will be unable to acquire any lodging for events that are requested after the prescribed RSVP deadline has passed.

- 2) At some conference venues, a Director may have access to alternate lodging due to the availability of time shares, a secondary residence, etc. Reimbursement for any alternate lodging is limited to the cost of scheduled actual conference lodging costs or the lesser of the two venues. Documentation in the form of a receipt paid for alternate lodging must be provided to receive reimbursement.

d. Meals

The District reimbursement rate for Board member meals shall be the actual amount incurred, not to exceed \$100.00 per day's service. When the District pays for meals, which are included in a conference/seminar registration packet, outside meals will not be reimbursed.

1) Gift Acceptance

On occasion at different events and/or conferences, a Director may be extended an invitation to a meal function. These meal functions, when not part of the paid conference or event, may be subject to gift disclosure requirements on an individual Form 700 Statement of Economic Interest form if the amount of the dinner exceeds \$50. The meal host (district vendor, consultant) should be asked to provide written documentation that includes an itemization of items consumed. In the case of hosted alcoholic beverages shared by many (e.g. bottle of wine), the cost of the beverage may be prorated by the total number of guests at the meal function. Alternately, TVMWD will accept this invitation under the guidance of FPPC Form 801 – Payment to agency and complete the required documentation in accordance with the supplemental TVMWD Gift Acceptance policy. If TVMWD completes and files a Form 801, individuals are not required to include the information on their annual Form 700.

2) Distribution of Tickets and Passes

prevention of harassment, discrimination, and retaliation, and shall be presented by trainers and educators with knowledge and expertise in the prevention of harassment, discrimination, and retaliation.

2.11. Board of Directors – Governance/Management Connection

With the exception of the Board's relationship with General Counsel, the Board's sole official connection to the operational organization, its achievements and conduct will be through a chief executive officer, titled General Manager. The Water Code states that the General Manager has "full charge and control" of the District's system, subject to Board approval (Section 71362). The District's definition of "full charge and control" includes technical aspects such as construction, operations, repair and maintenance, and engineering; as well as day-to-day administrative functions such as accounting, billing, and financial services; and management functions over employees, suppliers and consultants. The definition also includes the General Manager's ability to accomplish these functions, and their accountability for them.

The primary, binding authority with respect to the General Manager's role and responsibilities is stated in California Water Code Sections 71362 and 71363. Consistent with that foundational policy, several important policy concepts are highlighted in this and subsequent sections.

Only officially passed ordinances, resolutions, and motions of the Board are binding on the General Manager except in rare instances when the Board has specifically authorized such exercise of authority. In initiating communication with District staff, Directors should generally contact the General Manager. In the absence of the General Manager, Directors may contact the appropriate management staff member to obtain the requested assistance. Any Board member requests that require substantial work must come to the Board for direction.

The General Manager is the Board's only link to operational achievement and conduct, so that all authority and accountability of staff, as far as the Board is concerned, is considered the authority and accountability of the General Manager. The Board, as a whole, will not give direction to a person who reports directly or indirectly to the General Manager. The Board as a whole will not evaluate, either formally or informally, any staff other than the General Manager. The Board will evaluate the General Manager performance qualitatively, using as guidelines the General Manager's stated annual objectives. Adjustments in the General Manager's remuneration or contract will be consistent with the Board's evaluation of performance and achievement of stated objectives.

3. GENERAL MANAGER AND STAFF

Therefore, it is the policy of Three Valleys Municipal Water District to promote the protection and, when appropriate, the enhancement or restoration of watershed and groundwater resources of the region.

All invoices are due and payable as described and any dispute concerning the amount due should be filed with the District immediately. In the event any member agency shall be delinquent in the payment for water delivered by the District, or through an MWD connection, and/or other charges levied, an additional charge equal to two (2) percent of such delinquent payment for each month or portion thereof (days delinquent divided by 30) that such payment remains delinquent shall be assessed, and the member agency shall pay such charge to the District in addition to the amount of such delinquent payment. Notwithstanding the above, if the total period of

delinquency does not exceed five (5) business days, the additional charge shall be equal to one (1) percent of such delinquent payment. Invoices for delinquencies including additional charges shall be mailed not later than the tenth day of each month. In the event that any member agency shall be delinquent for more than thirty (30) days in the payment for water, such delinquency shall be reported by the General Manager to the Board of Directors at its next meeting. 7.4. Requests for Public Records

- 7.4.1. All District records and documents not deemed to be exempt under the California Public Records Act (“the Act”), California Government Code Section 6250 et seq., shall be open to the public for inspection and copying pursuant to the requirements of the Act and the procedures established herein.
- 7.4.2. Any person who wishes to inspect or copy any document or record of the District shall submit or unequivocally convey such a request to the District which reasonably and particularly describes an existing and identifiable record. The person seeking the record may, but need not, state his or her reason for making the request and/or the use to which the information will be put.
- 7.4.3. When a member of the public requests to inspect a public record or obtain a copy of a public record, the District, in order to assist the member of the public make a focused and effective request that reasonably describes an identifiable record or records, shall perform all of the following, to the extent reasonable under the circumstances:
 - a. Assist the member of the public to identify records and information that are responsive to the request or to the purpose of the request, if stated;
 - b. Describe the information technology and physical location in which the records exist; and
 - c. If the requested record exists on the TVMWD website, the requester may be directed to the website to obtain the item; however, requests to inspect or request a copy of the record shall be accommodated.
 - d. Provide suggestions for overcoming any practical basis for denying access to the records or information sought.

- 7.4.4. If the District receives a request for approved minutes, publicly-posted agendas, adopted budgets, and/or other simple, routine, and otherwise readily-available documents in the District's immediate possession, said records shall be released to the party so requesting for inspection as soon as possible. If copies thereof are requested, said records shall be released to the party requesting as soon as possible after payment of the fee adopted by the District pursuant to Section 7.4.8 hereof.
- 7.4.5. All requests for records that are outside the scope of Section 7.4.4 hereof shall be reduced to written form. The District shall furnish the requesting party with a standard form for his or her convenience in describing the records sought, but the use of that form shall not be the exclusive means by which a member of the public may identify said documents in writing. If the requesting party refuses or is unable to submit a request in writing, the District shall prepare a written memorandum articulating the request as it is understood.
- 7.4.6. Within ten (10) calendar days after receipt of a request to inspect or copy any document or record of the District identified in the writing prepared pursuant to Section 7.4.5 hereof, the District shall determine whether the request, in whole or in part, seeks copies of disclosable public records in the possession of the District, and shall immediately notify the person making the request of such determination and the reasons therefore.
- 7.4.7. Under unusual circumstances as defined in the Act, the time limit prescribed in Section 7.4.6 hereof may be extended by written notice by the General Manager of the District, or his or her designee, to the person making the request setting forth the reasons for the extension and the date on which a determination is expected to be dispatched. No such notice shall specify a date that would result in an extension for more than fourteen (14) calendar days.
- 7.4.8. If the District determines that the records requested shall be made available for public inspection or copying, the District shall promptly make the records available to the requesting party. If copies are requested, the District shall promptly provide copies of the records to the requesting party upon payment of a duly-adopted fee to cover the District's direct cost of duplication, which shall be calculated in the following manner:

 - b. If the records for which copies are requested are being held by consultants of the District, including the District's legal counsel, the direct cost of duplication shall be no different than the fee established pursuant to Section 7.4.8(a) above.

- c. If the size, quantity, or unique nature of the records for which copies are requested is such that the District determines in the reasonable exercise of its discretion that the reproduction thereof should not be conducted by District staff or consultants, then the District shall attempt to coordinate a mutually-acceptable alternative arrangement with the requesting party. No such arrangement shall permit a copying protocol that would expose any District records to being permanently removed, damaged, defaced, or destroyed. If the District is unable to reach such an agreement with the requesting party, then the District shall send said records to a printer or commercial copying service for reproduction and the direct cost of duplication shall be the same amount that is charged by the printer or commercial copying service for the services so performed.
- 7.4.9. If the District determines that the records requested shall not be made available for public inspection or copying, the District shall justify withholding any record by demonstrating that the record in question is exempt under the Act, that the District is unable to identify the information requested in the writing prepared pursuant to Section 7.4.5 thereof after making a reasonable effort to provide the assistance described in Section 7.4.3 hereof and elicit additional clarifying information from the requester that would help identify the record or records, or that, based on the facts of the particular case, the public interest served by not making the record public clearly outweighs the public interest served by disclosure of the record. Any notification of denial of any request for records shall set forth the names and titles of each person responsible for the denial.
- 7.4.10. If the District determines that any part of an otherwise public record shall not be made available for public inspection or copying, any reasonably segregable portion of the record shall be provided to the person requesting such record after deletion of the portions which are exempt by law and upon (a) compliance with Section 7.4.8 hereof as to the portions released to the requesting party and (b) satisfaction of Section 7.4.9 hereof as to the portions deleted there from.

- G. “Ticket” shall mean and refer to a “ticket or pass” as that term is defined in FPPC Regulation 18944.1, as amended from time to time, but which currently defines a “ticket or pass” as admission to a facility, event, show or performance for an entertainment, amusement, recreational, or similar purpose.

POLICY TITLE
**POLICY FOR USE OF
DISTRICT PROVIDED
COMPUTER TABLET
DEVICES**

APPROVAL DATE
June 17, 2015

—

The Three Valleys Municipal Water District shall establish a policy of providing the members of the board of directors and management staff with the equipment and technology needed to allow electronic delivery of agendas, reports and other material pertaining to items of business to be transacted or discussed at board meetings and other meetings attended by board members and management staff (users), and to allow for easier communication via e-mail.

Based upon cost estimates researched by staff, providing agendas and board meeting materials to the users electronically, for viewing on a computer tablet device (hereinafter “tablet”), would result in a cost savings to the district of approximately \$600 per year per recipient, by eliminating the preparation and distribution of individual paper packets of the meeting materials, and would improve the efficiency of providing information to the users.

The district shall provide a tablet to each user with appropriate software and internet access for the purpose of allowing agendas, agenda materials, reports and other materials (board packets), pertaining to business of the district to be transacted or discussed at meetings of the board. When the board packets are transmitted to the users electronically via email, staff shall not provide a “hard copy” printed version to the directors and management staff members.

A district-purchased tablet shall include sufficient capacity and features to meet the business needs of the users. The district shall purchase and install all software necessary for the devices to perform the functions required and shall provide maintenance and upgrades as necessary. The district shall arrange for and pay the cost of internet and e-mail service to the devices, and provide any and all IT services needed in connection with the use of the devices.

The district-provided tablets shall ensure compliance with the Ralph M. Brown Act, the Public Records Act and other laws pertaining to the use of public property. A policy agreement between the district and tablet users follows below.

TERMS AND CONDITIONS

SECTION 1: CUSTODY

The user identified below is a licensee with rights to utilize the Three Valleys Municipal Water District (“district”) computer tablet device and related accessories (hereinafter defined as “tablet”) during the term of this agreement, contingent upon all other terms and conditions stated herein. This agreement establishes the user’s right to use the subject tablet and shall in no way be construed to convey to user any ownership right in that tablet. The district provided tablet shall remain the property of the district and shall be used exclusively for district business.

SECTION 2: TERM

The term of this agreement shall begin upon the date signed and terminates upon the first to occur of:

- a. when the user’s term as a director/employee of the district ends; or
- b. if the user decides to return the tablet to the district prior to the expiration or earlier termination of the user’s term as a district director/employee; or
- c. if the district elects to terminate its Tablet User Program.

SECTION 3: GENERAL CONDITIONS FOR USE

The tablet resources are provided for use in the pursuit of district-related business and to reduce the paperwork, copying and delivery expenses the district incurs annually.

In order to avoid improper use of the district-provided tablet, the users will comply with the following rules for use:

- a. The tablet is to be used exclusively for district business and not for personal business, entertainment, personal communications, or other non-authorized purposes. Tablet use for personal business will subject the user to be taxed, according to the IRS.
- b. Users will be responsible for downloading the e-mailed board packets to their tablet and for bringing the devices with them to every meeting for which materials have been sent.
- c. Users shall not use the tablet in such a way as to cause the district to be charged for goods or services not previously authorized by the board.
- d. All programming, software and features on the tablet shall be supplied by the district for district purposes. Users shall not install software, download files or make any other alterations to the computer tablet devices for their own purposes or which are not expressly authorized by the district.
- e. Directors shall not use the tablets to communicate with other directors in violation of the Ralph M. Brown Act, including but not limited to communicating with a majority of the members of the board of directors on any matter which will be addressed by the board at a meeting, or which is within the subject matter jurisdiction of the board of directors which may become an item of business at a future board meeting. In general, directors should not communicate with other directors by e-mail. Communications regarding availability for meetings, requests for information and other matters which must be dealt with outside of meetings should be coordinated through the general manager, to avoid the appearance of a Brown Act violation.

SECTION 4: PRIVACY

During and after the term of this agreement, the user has no right of privacy as to any information or files maintained in or on the tablet or transmitted by or to, or stored on the tablet.

Any personal materials, software, applications, Apps, pictures, emails, etc., that remain on the tablet after it is returned to the district., and any right to privacy of such items, to the extent it may exist, will be forfeited.

Unless otherwise exempted, all information provided electronically to the users shall constitute public records and shall be provided by the district to any person requesting a copy of such information, in the same electronic format as provided to the users, or at the option of the person requesting the records, in hard copy format, upon payment of the copying costs. Notwithstanding the foregoing, material transmitted with a board packet which pertains to a closed session item on the agenda, or which is otherwise exempt from disclosure under the Public Records Act, shall not become disclosable by virtue of transmission to the users by electronic means, unless and until such time as the material becomes subject to disclosure under the Public Records Act. Users receiving non-disclosable material by electronic means shall not forward or disclose such material to any other person without the authorization of the board of directors.

All communications using the tablets are public records subject to review by district staff, for purposes of determining their status under the district's Records Retention Policy. Communications and information contained on the tablets shall be retained by the district for a period of six months, or until a determination has been made that the item is not a record to be retained under the Records Retention Policy, in which case it may be deleted from the district's electronic files. Users may delete any unnecessary files on the devices provided a copy is available in the district's electronic files.

SECTION 5: MAINTENANCE AND REPAIR

The user shall keep the tablet and all software in good working order and condition. If repairs are necessary, the tablet and software shall be repaired by the district, or another entity designated and approved by the general manager. All software, applications and Apps loaded onto the tablet shall be properly licensed and shall not consist of pirated or illegal materials.

The users shall have possession of the tablet for their use for district business and shall be subject to returning the device to the district at any time as requested by the general manager for periodic maintenance, upgrades and service.

SECTION 6: TERMINATION AND RETURN OF TABLET

Upon the termination of this agreement or expiration of the term specified in SECTION II above, the user will, within three business days of such termination or expiration, return the tablet and any accompanying accessories to the district, as originally provided by the district, in its original condition. Ordinary wear and tear expected.

SECTION 7: THEFT OR LOSS

The users shall be responsible for the care and safekeeping of the tablets in their possession and shall reimburse the district for the cost of replacing a device that is damaged due to negligence or misuse.

Users are required to create a pin code on their tablet in order to safeguard access and content. The district shall bear the risk of theft or loss of the tablet, as long as the user exercises due care to protect and safeguard the tablet during the term of this agreement. However, the district makes no warranties of any kind and will not be responsible for any damages whatsoever which users may suffer arising from or related to their use of any district electronic information resources, whether such damages be incidental, consequential, or otherwise, or whether such damages include loss of data resulting from delays, non-deliveries, mistaken deliveries, or service interruptions whether caused by either the district's negligence, errors, or omissions.

The district may obtain insurance to cover loss or damage to the computer tablet devices if it is economically advantageous to do so.

SECTION 8: ENFORCEMENT

This policy is intended to be illustrative of the range of acceptable and unacceptable uses of the tablet, including internet and e-mail usage, and is not necessarily exhaustive (*refer to the district's Internet & Email Policy, revised 04/23/13*). Questions about specific uses should be directed to the general manager. Alleged or suspected violations of this policy and violations thereof may result in loss of tablet use. Any user violating these provisions or applicable local, state, or federal laws is subject to immediate loss or restrictions of tablet privileges and additional disciplinary actions, up to and including criminal prosecution for any individual user and/or termination of employment from the district. The district's general manager shall be responsible for the manner in which this policy will be implemented, including the monitoring of use thereof, and the archiving of information stored and retained in connection therewith.

SECTION 9: CONSENT

As a condition of this policy, all district tablet users must acknowledge that all district-issued tablets are the property of the district, and therefore, they should not consider any activity to be private, as specified in Section IV above. Users of a district-issued tablet must sign the consent form attached hereto within fifteen (15) days of receiving a copy of this policy. Prior to obtaining a tablet provided by the district, directors/employees must sign and return the consent form provided. By signing the consent form, the user acknowledges that they have received a copy of the policy, read it, and understand the district's policy and the potential penalties for non-compliance.

- E. Email users will not automatically forward incoming emails to accounts outside the control of the District.

 - J. Emails that are retained in electronic folders or in hard copy and are not intended for temporary purposes may be public records and should follow the District's retention schedule in terms of how long the records may be kept pursuant to legal requirements.
 - K. All incoming, sent, and deleted emails will be automatically deleted in accordance with record retention policy and legislative requirements. Emails that serve a useful business purpose can be preserved by manually moving the email to a subfolder of the mailbox.
 - L. Use extreme caution when communicating confidential or sensitive information via email as this is not considered a secure means of communication. Keep in mind that all email messages sent outside of the District become the property of the receiver.
 - M. Any allegations of misuse should be promptly reported to the Human Resources Manager. If you receive an offensive email, do not forward, delete, or reply to the message.
 - N. Truly sensitive communications should be conducted through paper-based correspondences or in-person meetings. Employees are prohibited from sending personal identifiable information such as credit card information, banking information, driver's license numbers, social security numbers, and other sensitive information through the District's email.
 - O. Email users must seek approval from the Chief Operations Officer prior to sending email with sensitive content related to the District's operational technology that include infrastructure maps, process control system (PCS), supervisor control and data acquisition (SCADA) system, video monitoring system, physical security systems, cybersecurity information, and any other system that could possibly reveal vulnerabilities, or otherwise increase the potential for an attack on systems of the District.

	POLICY TITLE PASSWORD POLICY	APPROVAL DATE	Page i of 2
---	---	----------------------	-------------

SECTION 1: PURPOSE

Passwords are the primary form of user authentication used to grant access to District information systems. To ensure that passwords provide as much security as possible, they must be carefully created and used. Without strict usage guidelines, the potential exists that passwords will be created that are easy to break, thus allowing easier illicit access to the District's information systems, and thereby compromising the security of those systems. It is the intent of the District to protect all its resources. These resources include computer hardware, software, data, and all computer related items. This document will set forth the policy of maintaining logical security, protecting the software and utilization of systems by persons with legitimate access rights.

SECTION 2: SCOPE

The Password Policy applies to all information systems, information components, and to all user account holders, District employees, and those working on behalf of the District.

SECTION 3: POLICY

- A. Passwords will have a maximum lifespan determined by the Information Technology Manager.
- B. Passwords may not be reused. Reuse includes the use of the exact same password or the use of the same root password with appended or pre-pended sequential characters.
- C. Passwords are to be used and stored in a secure manner. As such, passwords are not to be written down or stored electronically in plain text. Passwords are to be obscured during entry into information system login screens and are to be transmitted in an encrypted format.
- D. Passwords are to be individually owned and kept confidential and are not to be shared under any circumstances.
- E. Vendor supplied default passwords must be changed prior to installing a system on the network.
- F. Information Technology professionals or system account credentials for non-console administrative access must be encrypted using technologies such as SSH, VPN, or SSL/TLS. Encryption technologies must include the following:
 - 1. Must use strong cryptography, and the encryption method must be invoked before the administrator's password is requested.
 - 2. System services and parameter files must be configured to prevent the use of telnet and other insecure remote login commands.
 - 3. Must include administrator access to web-based management interfaces.
 - 4. Use vendor documentation and knowledge of personnel to verify that strong cryptography is in use for all non-console access and that for the technology in use it is implemented according to industry best practices and vendor recommendations.

POLICY TITLE
**SOCIAL MEDIA POLICY –
ELECTED OFFICIALS**

APPROVAL DATE
JUNE 15, 2022

Page i of 5

SECTION 1: Purpose of policy

Three Valleys Municipal Water District (“District”) understands that its elected officials, officers, and employees use social media sites and other online engagement platforms to share events in their lives, to communicate, and to discuss their opinions with others, including family, friends, and co-workers. However, the use of social media and other online engagement platforms may present certain risks and carries with it certain responsibilities.

To assist the District’s Board of Directors (“Board”) in making responsible decisions about their use of social media and other online engagement platforms, the District provides these guidelines and recommendations for appropriate use.

SECTION 2: Background

The District does not create or provide support for individual social media accounts for Board members. Board members who maintain personal social and other digital media accounts should be aware that--similar to District email or any other written or recorded communication related to the official conduct of District business--digital communications,

social media posts and messages by Board members regarding matters that are before the District for action or within District jurisdiction can be “official District business” subject to laws and policies regarding freedom of speech, records retention and production, and public transparency. Those laws and policies include, but are not necessarily limited to: the California and United States Constitution, the California Public Records Act, the Ralph M. Brown Act, and the District’s records retention regulations.

SECTION 3: Understanding Rights/Responsibilities Using Social Media Technology

Complying with the Ralph M. Brown Act

One potential pitfall elected officials face in using social media is in ensuring compliance with the Ralph M. Brown Act (the “Act”). Elected members of a Board must be careful, through their use of social media, not to engage in “serial meetings” with other members of the Board. A serial meeting is covered by the Act. It involves communications by individual members of less-than-a-quorum group, which ultimately involves a majority of the body’s members. Outside a meeting, a majority of members of the Board may not use a series of communications of any kind, directly or through intermediaries, to discuss, deliberate or take action on any item of business that is within the subject matter jurisdiction of the Board, whether or not the members of the Board reach a collective concurrence. This communication may involve several separate conversations between different members, or several separate conversations between members and a single person (e.g., attorney, agency staff member) for the purpose of discussing, deliberating, or taking any action on any item of business.

Conceivably, a prohibited serial meeting could take place through private messaging or even public messaging on social media.

The Act does not prevent Board members from engaging in separate conversations or communications on an internet-based social media platform to answer questions, to provide information to the public, or to solicit information from the public regarding a matter that is within the subject matter jurisdiction of the Board, but this is provided that a majority of the members of the Board do not use the internet-based social media platform to discuss among themselves business of a specific nature that is within the Board’s subject matter jurisdiction. “Discuss among themselves” here means communications made, posted, or shared on an internet-based social media platform between members of the Board, including comments or use of digital icons that express reactions to communications made by other members of the Board. This means that even a single “emoji” or “like” could constitute part of a discussion that falls within the scope of the Act.

As a member of the Board, there is one other item of importance to consider. Under recent law, you should **not respond directly** to any communication on an internet-based social media platform regarding a matter that is within the subject matter jurisdiction of the Board that is made, posted, or shared by **any other member** of the Board. Doing so alone could

result in a violation of the Act.

To avoid any violations of the Act, consistent with the update provided by AB 992, Board members are permitted to use a social media site to engage in conversations or communications on matters within the subject matter jurisdiction of the Board:

1. To answer questions;
2. To provide information to the public; and
3. To solicit information from the public.

However, a majority of Board members may not use social media to "discuss among themselves" official business. AB 992 broadly defines the meaning of "discuss among themselves" to include any "communications made, posted, or shared on an internet-based social media network between members of [the Board], including comments or use of digital icons that express reactions to communications made by other members of the [Board]." AB 992 prohibits a Board member from communicating directly with the social media of **any other member** on a subject within the jurisdiction of the Board.

Board members must refrain from using the District's official social media sites or any form of electronic communication to respond to, blog, or engage in serial meetings, or otherwise discuss, deliberate, or express opinions on any issue within the subject matter jurisdiction of the body without complying with the Act.

If there are questions about whether communications could potentially violate the Act, Board members should consult with the District's management and/or legal counsel.

Accuracy and Honesty

Strive for accuracy in any blog or post. Include a link to your sources of information. If a Board member makes a mistake, correct the information, or retract it promptly. Never post any information or rumors that you know to be false about employees, other officials, or anyone.

Board members should be honest and accurate when posting information or news, especially when communicating during a crisis or emergency. Any mistakes, misstatements and/or factual errors must be corrected quickly upon discovery. When possible, news of District-wide importance should first be announced by the District's official social media sites. This information can then be shared by Board members, linking back to the original post or official District website, when possible. Unless the Board member has been designated to serve as a District spokesperson, a Board member should never represent themselves as a spokesperson for the entire Board or the District. Board members should be mindful of recognizing that accomplishments of the District or the Board are achieved by collective action of the entire body or organization.

Avoiding Commingling Social Media Accounts

Board members should not use District email addresses to register on social networks, blogs, or other online tools utilized for personal use.

Board members participating in digital or social media communications shall maintain and clearly delineate between separate accounts for official and personal/campaign statements, taking precaution not to convey personal/campaign communications in a manner that suggests such communications represent the position of the District or the Board as a whole. To avoid ambiguity, all statements, headings, profile pictures, or biographies on personal or campaign accounts shall:

1. Not be made in the name of the position to which the Board member was elected or appointed;
2. Clearly reflect that content on such accounts does not represent the official positions of the District or the Board; and
3. Not display the District logo or any other official District mark or title.

The District requires that Board members use only District accounts to send or receive electronic communications in connection with the conduct of District business. As a result, there is no expectation of privacy if personal accounts are used to conduct District business or District accounts are used to conduct personal business. If a Board member receives an electronic communication regarding District business on a personal account, he or she should copy that information to his or her official District account for transparency and ease of access for public records requests.

Digital records relating to public business are required to be in a manner capable of maintaining the record for the applicable retention period, including through the use of highlights, bins, or archives for temporary and disappearing stories, reels, posts, or otherwise.

Hosting Comments on Blog, Website, Facebook Page, or Other Social Media Platforms

Another potential pitfall Board members face in using social media is by hosting a site or social media platform in your capacity as a government officer in which the public can post comments. Although the law in this area is murky and currently under development, some authority suggests that a Board member who hosts comments in his or her capacity as a government official and deletes, hides, or otherwise obscures any comment by a member of the public has thereby engaged in censorship in violation of the First Amendment. This is under the theory that the page hosting the comments constitutes a forum opened up by a government official, so that those who participate have constitutional rights to provide expression. Violation of the First Amendment can create liability, including liability for the plaintiff's attorneys' fees. Accordingly, if you host comments, you should make a clear distinction to those who visit your page or platform whether the page is yours in a strictly

personal or other capacity or instead in your capacity as an elected official or member of the government. If the latter, Board members should avoid deleting comments or blocking individuals on official pages or sites they maintain. Social media content should be treated the same as any written document and retained in accordance with the District retention schedules or the minimum period required under applicable law, whichever is longest.

Exercising Sound Discretion

Use good and ethical judgment. To the extent your social media use impacts District employees, Board members should follow District policies and regulations as applicable, including but not limited to those that protect individual privacy rights, anti-discrimination and harassment policies, and the anti-workplace violence policy.

Board Members shall not post complaints or criticism of fellow Board members, District employees, or personnel (or anyone). Board members should avoid using statements, photographs, video, or audio that reasonably could be viewed as unlawful harassment or discrimination or other violation of the law such as unlawful threatening conduct. Examples of such conduct might include offensive posts that could contribute to a hostile work environment on the basis of race, religious creed, color, national origin, ancestry, physical or mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or any other status protected by law. Examples of unlawful threatening conduct include posting material that would make a reasonable person afraid for one's safety or the safety of one's family.

Do not disclose information that may violate the rights of others. For example, do not disclose another individual's social security number, medical information, financial information, or other protected information in a manner that violates that person's rights.

If, as a Board member, you publish a blog or post online related to your work as an elected official, make it clear that you are not speaking on behalf of the District itself. It is best to include a disclaimer such as "The postings on this site are my own and do not necessarily reflect the views of the District."
