

Three Valleys Municipal Water District

Grand Avenue Well Construction

June 3, 2019 - January 2020

Dear Neighbors:

The Three Valleys Miramar Water District will be starting well equipping construction activities on approximately June 3, 2019.

This well will be used to help the District meet the water needs of the area by making use of the local groundwater supply.

The project involves construction of a water pipeline from the well site to the Miramar Treatment Plant.

Construction activities are expected to begin on June 3, 2019 and will occur between the hours of 7:00 am to 5:00 pm. Project completion is expected by January 2020.

We appreciate your patience during this time as we strive to enhance local water supply reliability.

For additional information, please contact Ben Peralta, Project Manager at (909) 621-5568. For emergencies, after hours contact our on-duty operator at (909) 241-6757

Thank you for your cooperation and understanding.
